## Incubator Factory Mass Meeting Dedication of Pythian Home in Sonoma Valley Great Affair Operating Power Plants by Steam From Local Hot Springs

### SITE OF NEW HOME COMPRISES ONE HUNDRED ACRES

Former Senator Kearns Home Near Kenwood Was Scene of Big Gathering and Barbecue.

Over 1000 Knights of Pythias from various chapters of the state assembled Tuesday afternoon at the dedication ceremony of the Pythian's new home near Kenwood.

"We dedicate this place to the service of humanity and in the name of a great American institution," was the opening declaration of Judge George Samuel of Oakland.

The site of the new home comprises 100 acres of the famous old Senator Kearns country home, one of the finest and best appointed in the entire Sonoma Valley.

Tuesday's event was the shining light in the state Pythian convention in session this week in Oakland.

The first hour in the valley was given over to music, general entertainment and inspection of the property and the many buildings there. Next in order came the barbecue. Three big heaves and nine sheep were roasting on the spits under the keen eye of Chef Saturn Gonsales of Petaluma. Under the spreading trees of the big ranch the delegates fell upon the viands with gusto, and when they desisted there were scarce enough left to tell the tale of what had been.

Followed then the dedicatory ceremonies with District Attorney Jesse Carter of Redding in the role of master and president of the day. Carter, a past Grand Master of the order, delivered an inspiring oration. He was followed in the rostrum by Attorney Vallandigham of Santa Rosa, one of the most earnest workers of the Order in Sonoma county. He outlined briefly but graphically the arduous efforts that had been put forth to convince the men entrusted with the selection of a home site that the one finally selected was the best in the state.

When Grand Chancellor O. E. Jackson of Petaluma was introduced, a rousing ovation rent the air. Jackson was introduced as the man whose personal energy and untiring administration resulted in the home coming to Sonoma county.

Following his address Attorney W. L. Ware in a short speech formally dedicated to Jackson one of the state's oak trees of the ranch. "Henceforth," in the words of Ware, "this great tree shall be known as 'Jack' (Continued on Page Four)

### STORK WAS BUSY OVER WEEK END

The stork was quite busy in Sonoma Valley over the last week end, having ushered in three new arrivals.

Friday evening Mr. and Mrs. Victor Giacometti became the parents of a daughter, and the same evening Mr. and Mrs. Arnold Moranzani welcomed the arrival of a daughter.

On Sunday afternoon the home of Mr. and Mrs. Shirley Weise of Glen Ellen was gladdened by the arrival of a son.

Dr. A. M. Thompson of Sonoma was the attending physician

### Auto Registry to Date Breaks All Records

The number of automobiles and trucks registered in California to date this year is already greater than the total number registered in 1923. According to figures compiled by the State Division of Motor Vehicles, 1,121,698 machines have been registered since the beginning of 1924, compared with a total of 1,100,283 registered last year. Registrations before the year is out are expected to increase the total to about 1,300,000, an increase of 20 per cent over last year.

### PHILIP PAPINA IS TAKEN BY DEATH

After an illness of thirteen years, Philip Papina, a well known resident of Sonoma, passed away Saturday morning of last week at a hospital in Napa.

Mr. Papina was a native of Switzerland, aged 66 years and four months. He came to this country when 18 years of age, first making his home in Sonoma Valley, where he made many friends. He later moved to the Santa Clara Valley, where he engaged in business. After living there for 35 years his health began to fail and he decided to again make his home in Sonoma Valley, where he spent his last days.

Surviving deceased is the widow, Mrs. Margherita Papina, and two children, Emma and Steve Papina.

The funeral was held Tuesday afternoon at 2 o'clock from the residence on Spain street, and later at the St. Francis church. Interment was in Mountain cemetery.

Deputy Grand Matron Kathryn A. Hilton of the Eleventh District, O. E. S., was delightfully entertained by Mr. and Mrs. H. D. Burmester of El Verano the night of her official visit to Valley of the Moon Chapter No. 85. Mr. Hilton accompanied his wife. They are old friends of the Burmester family.

### MEETING TO DISCUSS FIRE DEPARTMENT

At a meeting of the property owners of Sonoma Valley, which has been called for Saturday night, May 24th, at the fire house at Boyes Springs, ways and means for maintaining and operating the Boyes Springs and Valley Volunteer Fire Department will be considered. J. W. Minges of Boyes Springs issued the call and will preside at the meeting.

This fire department under the leadership of Chief W. B. Cause, has always rendered very efficient service in times of peril, and with the approach of summer and the menace of grass fires, it is imperative that the department be prepared to cope with them.

Fire prevention is of vital interest to everyone and there is no doubt that a large and representative gathering of citizens from all parts of Sonoma Valley will attend the meeting, as the proposition deserves the support and backing of all.

### Dowd to Report on His Eastern Trip. Local Speakers Will Urge Immediate Action.

Sonoma's greatest opportunity now confronts this community and the valley at large. The possibilities are immediate for a factory in our midst manufacturing products that have already created a national demand. This factory means steady employment for a large number of men and women with a payroll that would greatly stimulate the commercial life of our town. Santa Rosa, Petaluma and Napa have grown and prospered, in part, because of their industries and the business these towns are drawing from this valley.

Sentiment is increasing in favor of the Kitchen Incubator Company, that it remain in Sonoma and reach its full development here. The time has arrived when a definite decision must be made and immediate action taken to hold this industry.

A mass meeting is called for 8 o'clock Monday evening at the Women's club house, in Sonoma, by representative men, who have confidence in this local enterprise and made the first payments to secure the patents and also sent a capable representative East to interview the greatest incubator builders in the world. Everyone is invited to this meeting, both ladies and gentlemen.

Mervyn R. Dowd, San Francisco attorney and instructor of Salesmanship, University of California Extension Department, will be the principal speaker. Mr. Dowd will give a detailed account of his Eastern trip of the past four weeks, when he visited the builders of the Queen, Close-To-Nature, Old Trusty, Klondike, Successful, X-Ray, Ironclad, Wisconsin.

### NARROW ESCAPE IN FALL INTO MIXER

Jack Hein of Napa Has Harrowing Experience; Is Now Under the Care of Doctor.

Falling into a sifter of a gravel and sand mixer, J. H. Hein, prominent Browns Valley rancher had a narrow escape from serious injuries at Sonoma Grove last week and is now confined to his home for several days recovering from injuries and nervous shock.

C. N. Chittenden, for whom Hein was working, and Hein's brothers, Mark and Fred, pulled him from the machine and saved him from probable serious if not fatal injuries. They suddenly missed Jack, who had climbed up over the sifter to feed sand into the machine, and looking around, saw his feet dangling through the outlet of the cone-shaped mixer.

Hein, who was completely buried in the sand, was extricated with difficulty after about 30 minute's work. He was taken to his home in Browns Valley and is now under the care of a physician.

Mr. and Mrs. F. T. Welch of Windsor, Mrs. Fannie Yates King of Santa Rosa and Mrs. Ruth Gaines Dudley, wife of Deputy Sheriff Dudley of Santa Rosa surprised their old friend and school mate, Mrs. George Breitenbach, by calling on her last week.

Belle City, Poorman, Miller, Buckeye, Westman, Sheer and Reliable incubators. He will speak with authority relative to the future of this local industry, based on his observations and the royalty deals now under way with several of the Eastern concerns. The first royalty payments will not be made until the Eastern companies have tested the Kitchen egg turning device in their machines. Sample trays were shipped by express on Thursday for these experimental tests.

The local company should be incorporated at once to properly handle the Eastern and local business already coming in. Ray Kitchen is even now turning out \$3600 worth of trays for three hatcheries in Petaluma. Monday the Hicks Jubilee Hatchery placed an order for the turning device, and the Vestal Hatchery started a test hatch.

In the past few years many investments have been offered to the people of this valley and in most instances the local capital put up, amounting to many thousands of dollars, has gone to other sections of the state to aid in the building up of business, industry or agriculture there. For three years this industry has struggled along in a small way in our midst but winning recognition in the poultry world.

Monday evening an opportunity will be afforded the citizens of this valley to show their interest in this project by attending the mass meeting and backing up those who have made possible the progress to date. United effort will keep the incubator company in Sonoma.

### SUPERVISORS MEET TO DISCUSS ROADS

Luncheon Tendered At Calistoga on Tuesday By Prominent Sonoma County Booster.

Road matters of mutual interest were discussed at a joint conference of Napa and Sonoma county supervisors held during a luncheon tendered the members by C. C. Donovan, prominent Sonoma county hop grower, at Calistoga Tuesday.

The luncheon was served at Hotel Calistoga. Supervisors Maxwell, Tammagni and Webber and County Engineer Ball of Napa county, and Supervisors Lowell, Hart, King, Cunningham and McMahon of Sonoma county were among those present.

Considerable time was devoted to discussing possible future improvements on the Mark West Springs road via which Santa Rosa is reached from the Napa county highway: the Calistoga-Healdsburg road; and the Mt. St. Helena state road. While no definite plans developed from the conference, considerable work was visualized, which may be undertaken at a future date by the two counties.

Mr. and Mrs. Fred Hansen were in San Francisco over the last week end and were widely entertained by city friends.

### State Department Warns Public to Save Water

An appeal to Californians to conserve water with a view to relieving a shortage this summer was issued this week by Edward Hyatt, Jr., of the State Department of Water Rights.

"Conditions are serious," he said. "Springs are drying up which have never been dry before. The question of water for the stock ranges is a most serious one, as cattle cannot be turned out unless water is available. The act that springs are diminishing in May indicates that the underground supply has been affected."

### VISITORS AT THE GEN. VALLEJO HOME

On Sunday afternoon Mrs. Minnie C. Aldrich, of Honolulu, who formerly resided here some years ago, called at the old home of the late General Vallejo to visit her friend, Mrs. L. V. Empanan, and view the many relics and curios which the latter has collected and installed in the museum maintained at this historic place. Mrs. Aldrich was accompanied by her daughter, Mrs. Helen Aldrich Gregg, of San Mateo, at whose home she is stopping during her visit to the states. After going through the museum, a very pleasant afternoon was spent by the ladies amid the beauties which nature has lavished upon this spot. In the evening Mrs. Aldrich entertained Mrs. Empanan and her son, R. R. Empanan, at dinner.

Other visitors at the museum Sunday were Mr. and Mrs. Frank Denman, Mrs. I. M. Proctor and Mrs. Daisy Reed, all of Petaluma; Mr. and Mrs. E. McGovern and Mrs. H. W. Davis of Oakland; Mr. and Mrs. Brunson and family of Eodi, and Mr. Brunson and family of Suisun.

Mr. and Mrs. Al Stein of "Santa Rosa accompanied by Mrs. Hazel Close, Worthy Matron of Rose Valley Chapter, O. E. S., Santa Rosa, were welcome visitors of Valley of the Moon Chapter at the last meeting.

### PURCHASES SONOMA VALLEY RANCH

A deal was consummated this week whereby George Turnbull of San Francisco acquired ownership of the James Mumford ranch, located in the Hyde Tract. The ranch comprises 10 acres, all in bearing fruit trees, and is improved with a modern six room house and other buildings. It is said the ranch is one of the prettiest in this vicinity and Mr. Turnbull is highly pleased with the property. A hearty welcome is extended to this new resident of the Valley of the Moon.

W. W. Carter, Sonoma realtor, handled the above deal. Other sales made by Mr. Carter this week are as follows:

Six acres in Buena Vista, belonging to Victor Storm, were sold to Ira E. Small of Sonoma.

C. E. Graf five acres in the Lehrke Tract, to D. W. McKenna of San Francisco.

### PLAN IS ALREADY WORKED OUT BY EXPERTS IN EUROPE

May Prove Important Industrial Asset for the Rocky Mountain Region, Experts Claim.

Sonoma Valley's many hot mineral springs, which have long been famous for their medicinal properties, are now attracting attention as a possible source of power, and it is the intention of the Carnegie Institution of Washington, D. C., to send scientists here this summer who will make a thorough study of the matter.

A recent issue of the Washington Star contained the following story:

"A proposal to operate power plants directly from the heat of the earth soon will have its first trial in the United States and may hold great economic possibilities for some sections of the Rocky mountain region, according to Dr. A. L. Day, director of the geophysical laboratory of the Carnegie Institute, who, assisted by Dr. E. L. Allen, will conduct scientific studies this summer of the hot springs in the Sonoma Valley of California.

"This is one of the most unusual sections of the country. It is a valley of about six square miles, in which are a great number of scattered hot springs, creating considerable quantities of steam power which now goes to waste. The surface of the entire valley is hot, indicating even greater possibilities than now appear.

"The Carnegie Institution studies will not concern directly the proposed commercial experiment, Dr. Day emphasizes, although the results may have an important bearing on the engineering project of the private concern. The two Washington scientists will compile voluminous data on temperatures both above and below the surface of the valley and will make chemical analyses of the different springs to determine whether the water is acid or alkaline in substance.

"Borings, Dr. Day said, already have been made to determine power possibilities. The plan is to pump the steam generated below the surface to turbines where it will be transformed into power. One similar experiment was made with success in Italy during the war and 30,000 horsepower generated by the plant. This is still in operation and has proved a commercial success.

"The use of hot spring areas as (Continued on Page Five.)

### ATTENDED MEETING IN SAN FRANCISCO

Miss Angela Marmor, Miss Eileen Cowan, Mrs. Catharine Weyl and Mrs. Anita Murray, officers of Sonoma Council, Y. L. I., attended a meeting in San Francisco last Sunday afternoon of the subordinate officers of the Young Ladies' Institute. The meeting was for the purpose of instructing them in the various rituals of the Order.

Following the business session, a social hour and refreshments were enjoyed, and the Sonoma delegates report a very pleasant time.

# EL VERANO NEWS

By ARCHIBALD McKIVER

With the entrance of R. R. Emparan of Sonoma into the supervisory race this August, every incumbent supervisor save McMinn in the Fourth District and Hart in the Second will have not less than two opponents to make the run against. Fred Lowell is supervisor in this District, and lined up against him in the August primaries will be Emparan and E. A. Wagner of Boyes Springs. This will no doubt make the race a live and interesting one, and many in these parts are anxious to learn who the candidate will be on the other side. An office seeker from over the hill would even things up and make the fight four cornered and one of the political battles of the century. So far, all the candidates are strong politically in Sonoma Valley and the fight is going to be hotly contested.

Mrs. George Copper, newlywed who has been visiting in San Francisco, has returned to her home in Gypsy City, where she will spend the vacation months.

Mr. and Mrs. Steve Griffith have removed from their home on Riverside Drive and taken up their residence in one of the cottages on the Mouyer Tract.

The state highway contractors have several carloads of crushed rock on the siding at the S. P. yards near, shipped in from the south.

E. C. Jensen and wife of San Francisco were entertained Sunday at the F. Jensen home.

Ernie Nevers, world famous football and basket ball player, who was on the Stanford University team last season, has accepted a position as National Ice Cream distributor in Sonoma Valley.

Fred Jensen, local stockman, shipped two thoroughbred horses via the S. P. to Knights Landing on last Saturday.

Last Saturday a solicitor for the San Francisco Call, while making the rounds of this town, was bitten by a sneaking terrier dog that had been hiding in a tent in a camp in the southern part of town. The wound was an ugly one and such canines as these should not be suffered to infest our highways where people are always coming and going. The Call employee told the writer he intended to make a complaint to the authorities, so the owner of this animal should get rid of the furious biting hound before other persons are bitten and he is in the toils of the law.

Mr. and Mrs. W. Poulson were here from San Francisco last week renewing acquaintances.

Jim Harrington, section foreman of Shellville was in town recently renewing acquaintances. He was accompanied by his father.

Mr. and Mrs. W. A. Morris have returned home after a pleasant visit in Oakland.

Misses Mabel and Doris Nonella, two charming young ladies of San Francisco, were guests of home folks over the week end.

J. Signorelli and family motored to Oakland Sunday where they spent a pleasant day with friends. They returned home the same evening.

Mr. and Mrs. T. H. Baines were in Santa Rosa the latter part of last week on business and pleasure. While there they called in Mrs. T. C. Freck at Burke's Sanitarium. Mrs. Freck recently suffered a complete nervous breakdown but is now improving under the treatment of this famous institution and expects shortly to return to her El Verano home.

Jack Weimer, an Oakland fireman, is on his annual vacation and visiting at the home of J. McCrae. Mr. Weimer is enjoying Sonoma Valley, having his auto in which to visit the surrounding country, and is thinking seriously of buying a place here.

Mr. and Mrs. James McDonough of Agua Caliente were visitor in El Verano last Saturday.

Sonoma Valley horse lovers enjoyed the "sport of kings" at the opening of the race track at the Sprickels Ranch Sunday. A number of fine nags were trotted out in both saddle and harness races. Joe Ryan, crack

driver, held the reins over Miss Rooney for a fast mile heat which was a hair-raising event. It is the intention of the management to hold these race events during the summer months, during which time a number of good horses will be brought here for a try-out.

Albert Rossi went to Oakland pier this week to put in his application for a position as switchman for the Harriman Lines. Al is a veteran railroad man, but owing to the slackness of business, has been out of the game for some time.

"Oh, for a good glass of cold steam beer" is the moan of our local townsmen on these hot summer days. The thermometer flirting around the 100 mark causes the natives to say anything but nice words about Volstead and his prohibition hoodoo law. America is not what she used to be since this drastic law went into effect, but it looks like the end is near for the prohibitionists.

Bill Hildebrand, well known S. P. conductor on the Santa Rosa run, accompanied by his wife and party of friends, left Wednesday on a tour of New York and other eastern states. Hildebrand's many friends along the line wish him God-speed and a safe return. He is one of the old school of trainmen left in the employ of the company, having through faithful service gained high rank as a railroader.

Mr. and Mrs. Evers of San Francisco spent Sunday at the Jasper home.

There are now 37 post offices in Sonoma county, 10 of which rural delivery is operated. Only three have city mail carriers. In rural delivery there are 24 carriers, as follows: Santa Rosa, 5; Petaluma, 5; Sebastopol, 4; Healdsburg, 3; Sonoma, 2; and Cloverdale, Fulton, Geyserville, Glen Ellen and Windsor, one each. This is a large county and has many offices which give 100 per cent service in each city to patrons of the largest exact business carried on in the United States.

Muller & Downey, Sonoma painters, have finished painting the home of Fred Jensen, which adds greatly to the residential district of El Verano.

The death of Mrs. A. Giacomazzi, Santa Rosa Friday was a shock to friends here. She had been ill for some time. Deceased was born in Italy and was 37 years. She leaves a husband, four sons and a daughter to mourn her death. The family had resided in El Verano for several years.

Funeral services were held Sunday at St. Francis church, Sonoma, with interment in the Catholic cemetery. Tom Shanahan, manager of Napa's crack base ball team, was in town a few minutes Sunday on his way to Santa Rosa with his players, where they played a game. Shanahan tells the writer he has a good bunch of ball tossers and expects wonders from them during the season. He has managed the team for several years and Archie McKiver and other base ball fans wish him all the success in the world. Napa won Sunday's game by a score of 14 to 3.

Bill Dowdall of San Francisco was greeting the natives in El Verano on Sunday. He is now known as "Foghorn" Dowdall, holding down the responsible position of announcing the Tanforan races along Market street, mounted on an old gray mare. He likes the life and says it is thrilling steering the boss from the path of the speeding road hounds.

Harry and Bill Baines and Dave Forni, followers of the immortal Isaac Walton, were on a fishing trip to Lake Shabo in the wilds of Napa county Saturday. The Ford car could not make the steep grade so the boys had a nice walk to and from the fishing grounds. They say they enjoyed the outing, but never again.

The well boring outfit at Paréte's, drilling for hot mineral water, is down 175 feet. Indications look good for striking the hot water vein, as the water at this depth has a considerable amount of sulphur. They will continue down to 500 feet.

The El Verano Villa, under the management of Captain Tullett, will give the grand opening ball on Friday evening, May 30th. These dances will run during the vacation months and afford great pleasure to the summer guests. The famous Delaney orchestra of San Francisco will furnish the latest jazz music for dancing and

the management extends an invitation to the public to attend. The dance on May 30th is to be a free dance.

Michael McGill, of Eureka, machinist for the N. W. P. returned last Saturday after a pleasant visit with home folks. His brother, John McGill who has been quite ill, is now improving, much to the delight of his many friends.

A. M. Garaventa, after spending several days on a business trip to San Francisco, has returned home.

Mr. and Mrs. George Fredrickson, Miss Edith Crane and other friends were Sonoma Valley pleasure tourists over the week end.

Mrs. M. Smith and Mrs. Seprenut, formerly of Sonoma, have taken up their residence on the Adams ranch.

A. B. Johnstone and wife of San Francisco have taken over a piece of land near the Minkel place and will build a summer bungalow so that they may spend the vacation months in El Verano.

Biscioni Brothers are busy shipping their large crop of peas to Santa Rosa.

## DENTAL HYGIENE IN THE SCHOOLS

Legislation authorizing every county in California to establish dental hygiene in the schools as a measure toward improving the body, and indirectly the mind, will be initiated at the annual convention of the California state Dental Association to be held in San Francisco May 26 to 29.

Dr. D. Harry Leppo of Santa Rosa, president of the association and Dr. Guy S. Milberry of San Francisco, dean of the dental college at the state university, have been working on the plan for several months, and aided by a number of other prominent dentists throughout the state, they have organized a definite campaign along this line.

The proposed plan is to have a bill introduced in the next legislature which would authorize each board of supervisors to establish dental health service, with trained dentists to care for the mouths of all school children and teach them how to keep their teeth clean.

The association plans to introduce legislation which would re-establish the division of dental hygiene as part of the state board of health, with an appropriation of \$15,000 for each biennium. The division was abolished some time ago by Governor Richardson, Attorney General U. S. Webb having held that the present law only provides for public health nurses and that this does not specifically include dental hygiene.

## ACCREDITED HATCHERIES LIST FOR MONTH OF MAY

On April 21st, S. S. Gossman, formerly connected with the Poultry Division of the University Farm at Davis, began his duties as the second inspector with the accredited hatchery project.

A good deal of the inspector's time was spent during the month on activities relating to regulations and embargoes on the movement of baby chicks as a result of foot and mouth disease. Also considerable time was spent in culling over the old males used in the breeding flocks of the past year. To date 1403 males on a number of ranches have been handled and 682 disposed of as culls.

Young cockerels for use in breeding flocks next season are now beginning to arrive and will take a good deal of the inspector's time in passing on these birds.

The accredited hatcheries list is as follows:

G. F. Abbot, Cotati—A grade.  
D. Colli, Sonoma—AA grade.  
Cherryland Hatchery, Bloomfield—A grade.  
G. & C. Poultry Farm, Sonoma—AA grade.  
Gold Ridge Hatchery, Sebastopol—A grade.  
Graton Hatchery, Graton—AA and AAA grade.  
V. H. Guthrie, Petaluma—A grade.  
E. O. Hussey, Petaluma—AA grade.  
Indian Valley Hatchery, Novato—AA grade.  
I X L Hatchery, Petaluma—AA grade.  
LaFranchi Hatchery, Petaluma—A grade.  
Must Hatch Incubator Company, Petaluma—A and AA grade.  
W. J. Otten, Sonoma—AAA grade.  
Penngrove Hatchery, Petaluma—A grade.  
Petaluma Hatchery, Petaluma—A grade.  
Pioneer Hatchery, Petaluma—A grade.  
Sales Hatchery, Petaluma—A and AAA grade.  
Santa Rosa Hatchery, Santa Rosa—A grade.  
Sebastopol Electric Hatchery, Sebastopol—AAA grade.  
Sonoma Valley Hatchery, Sonoma—AA grade.  
White Hatchery, Petaluma—A and AA grade.

W. P. Newman of San Francisco is visiting here with his daughter, Miss Charlotte Newman.

## DISGRUNTLED SUBSCRIBER ENLIGHTENED

The following is written for the benefit of a disgruntled subscriber, who accuses this newspaper of encouraging bootleggers by its attitude against prohibition. We trust our critic, who is a man of good heart, but narrow vision, will wake up.

"Dear Sir:

The Index-Tribune regrets that you are no longer to be on the subscription list of this newspaper, for the reason that the broader views and understanding of vital problems might be better grasped by you through following Index-Tribune editorials which ever aim to be fair and for the public good, as we see it. Everyone has a right to opinions and a newspaper must express opinion to function for the public good. We would believe it a dereliction of duty to foster faith in the present prohibition program of this country. As good Americans for several generations, it would be either short-sighted or hypocritical to declare prohibition a success, or likely to be.

Intimate knowledge of the results of America's dry regime convinces the well informed that prohibition is a failure and is not only embarrassing a great nation, but breaking down law and order in every state and municipality of the country. You cannot police a nation and control it by law. There must be instinctive obedience of law and respect for it. The present arrangement has made law-breakers of many of the best citizens, who will not concede that drinking fruit juice which has fermented to a strength of over one-half of one per cent is a crime. Yet that simple offense, according to Volstead, is held to be a crime just the same as imbibing stronger drink. The interference with the custom of people who have been accustomed to use beer or wine (not to abuse it) has been resented by thousands. This resentment leads to the breaking of the law and it is broken with impunity in the home, where the children of tender years begin early to realize the evasion and deception. What will the next generation be but law-breakers and hypocrites if the present arrangement continues?

Those who prate of law enforcement must be chagrined with the daily expose of crooked practices among American dry agents and officials higher up.

The Index-Tribune is avowedly for modification of the Volstead Act. We are staunchly against the return of the saloon or the continuance of bootleg joints. Advocating the return of light wines and beer under government permit and with revenue to be paid the government instead of grabbed by bootleggers needs no defense. The light beverages, when legalized, will kill the trade of the illicit dealers and put them out of business.

The Index-Tribune hopes for the return of a sane order of things which will spell betterment, if not perfection, in the nation. Let us aim and educate toward temperance and sobriety instead of continuing to cover up, defend or prolong the great American blunder.

## VOTING OURSELVES INTO TROUBLE

A San Francisco paper, which is evidently paving the way for the passage of the Water and Power Act, which was snowed under at the last State election, but is again rearing its head, asks why it is not a good business for the State to go into when the corporations plan to spend \$85,000,000 in one place, \$26,000,000 in another and \$30,000,000 in still another. Even a gander would grasp the truth and know that a socialistic scheme like water and power development and ownership would mean political graft and inefficiency. The old fallacy of when the State pays extravagance is permissible, is yet too well established and practiced for

## WAR INDEED A CRUEL LUXURY

War is the greatest luxury indulged in by women since the creation of man, states Professor C. F. A. Lange, of Smith College, in the essay he presented in the contest for the Bok Peace Prize. He continues:

"For the late war women have paid more in sacrifices of pain and hardships, atrocities and ravages of disease, heartaches and cruel partings, than they have paid for any other priceless jewel, commodity or experience in life. They gave during the late war into the arms of Moloch hundreds of potential inventors, surgeons, scientists, benefactors and prophets; tens of thousands of potential statesmen, bankers and captains of industry; and millions of potential protectors, lovers and husbands—and all these have turned into millions of ash piles, in spite of the fact that in addition an expenditure of ... 186,000,000 was necessary to produce this result."

## BACK THE CHAMBER OF COMMERCE

The Chamber of Commerce idea has taken a deep root in the convictions of earnest Sonoma Valley residents than was supposed and as a result we see a new effort to revitalize the organization for community upbuilding and betterment.

The movement is timely and necessary and the Index-Tribune reiterates its faith in a co-operative effort and constructive program for our Valley. We would like to see a united enthusiastic body of men and women comprising the new organization. It need not be one of great membership although the least every resident interested in Sonoma Valley can do is to be a contributing member. The real, energetic members who will be willing to take off their coats and go to work for the community need not be many, but they should stand as one, co-operating incessantly on every project to be worked out.

In a recent speech at Petaluma, a California Development Association officer said that communities who would forge ahead must plan ahead and to the natural advantages hitch the constructive program which will attain the objective desired. Sonoma Valley can be what we desire it to be but we must do more than desire. We must work and make the grade by means of a highly vitalized Chamber of Commerce shooting on all cylinders. The effort of the new Chamber of Commerce enthusiasts deserves every support.

## SPEND FOUR MILLION IN THIS SECTION

The N. W. P. Railroad Company's annual report for 1923 which has been printed in most of the Northwestern California newspapers, shows that in its operating revenue during the year was \$7,994,091. According to a report filed with the Interstate Commerce Commission by the railroad company nearly \$4,000,000 of this amount was paid in wages. In other words, just about 50 cents of every dollar received by the railroad company for the transportation of freight and passengers went into the pockets of the company's employees.

This 50 cents represented wages only. The N. W. P. expended further large additional sums of money in Northwestern California for ties, lumber, water, electricity, current and miscellaneous supplies. It is safe to say that between 80 and 90 cents of every dollar paid the railroad in the North Bay counties during 1923 was again expended by the company in such territory.

## RANGERS GO ON

DUTY MAY 15th

California's state fire rangers were placed on duty for the summer season of fire hazard beginning May 15th according to announcement made by the State Board of Forestry. Through an agreement recently signed by the Highway Commission, state and federal forestry officials will be aided this year by highway workers in suppressing conflagrations in forest areas in places where roads are under construction.

### GOATS CAUSE TROUBLE IN EL VERANO

Trespassing on the Fred Jensen property, three kids and a mother goat, belonging to John Basileu, the village barber, were fired upon the latter part of last week, after they had entered the garden and destroyed a number of valuable plants. It is said that Jensen had warned the owner of the goats to keep them up. Mr. Basileu, and family, the following day went to Santa Rosa, and claims to have penned the animals up before leaving. The intruders, however, again made their way to the beautiful lawn, covered with flowers and trees and began to muss things up. Thereupon Mr. Jensen hauled down the old muzzle-loader and fired in the direction of the herd, the shots taking effect on the old goat and badly wounding her. Upon the return of the Basileu family from Santa Rosa, Deputy Sheriff Joe Ryan of Sonoma was notified and after a consultation with the owner, decided not to kill the goat, hoping it might recover, but by morning it was found necessary to summon the officer again, who shot the goat. Basileu then swore out a warrant for Jensen, and the trial will come up in Judge Lester Small's court in Sonoma, some time next week. Attorney Grinstead has been engaged to represent Jensen. The case is being watched with interest and a rumor says more arrests may follow.

### EVENING DANCE AT EL VERANO VILLA

Captain Tullett, owner of the El Verano Villa, has announced the opening dance of the season at this famous Sonoma Valley summer resort on Friday evening, May 30th, Decoration Day. This dance is to be entirely free, and the feature of the dance will be the Jack Delaney Palace Hotel Orchestra which Captain Tullett has engaged for the occasion. This orchestra, under the leadership of Jack Delaney, pianist, has delighted many radio fans recently when broadcasted by KPO, San Francisco.

John Mhr will also open his El Verano motion picture theatre on the same evening with a high class bill which will feature Harry Carey in "The Canyon of Fools."

### CARD OF THANKS

To our friends and neighbors we desire to express gratitude and thanks for the kindness and sympathy accorded us in our recent bereavement, the loss of our loved one, the late Philip Papina. We also thank all who sent flowers.

Mrs. Margherita Papina and family.

### CERTIFICATE OF LEO F. JACOBSON

In the Matter of Transacting Business Under a Fictitious Name

I, Leo F. Jacobson, do hereby certify that I am transacting business in the City of Sonoma, County of Sonoma, State of California, under a fictitious name, and that I am engaged in buying and selling fuel and in the occupation of local and long distance moving, at that place.

That I am the sole owner of said fuel and drayage company, and that the name under which I intend to do business is the Sonoma Fuel Supply and Drayage Company.

That my full name is Leo F. Jacobson, and that I reside at Sonoma, Sonoma County, California.

In witness whereof, I have hereunto set my hand this 23rd day of May, 1924.

LEO F. JACOBSON.

State of California, County of Sonoma, SS.

On this 23rd day of May, 1924, before me, Joseph L. Small, a Notary Public in and for said County and State, personally appeared Leo F. Jacobson, known to me to be the person whose name is subscribed to the within instrument, and who acknowledged that he executed the same.

In witness whereof I have hereunto set my hand and affixed my official seal the day and year in this certificate first above written.

JOSEPH L. SMALL,

Notary Public in and for the County of Sonoma, State of California.

### PYTHIANS DEDICATE NEW STATE HOME

(Continued from Page One)

son's Tree."

The feature address of the day was that of Judge George Samuel of Oakland. He portrayed in vivid words the benefits of such human kindness as are represented in caring for the aged, the widow and the orphan in a home that is sincerely set aside for that purpose. He told, too, of the great lessons in humanity revealed in the aims of Pythianism.

The day came to an end at 3:30 in the afternoon when the delegates left for Oakland.

Grand Chancellor Jackson announced after the meeting that later he will name the Board of Governors for the new home. Much work is yet to be done before the home is an established thing, it is pointed out. New buildings are to be erected, 165 acres additional of land acquired and a fire trail constructed around the entire property.

### JACOBSON WILL OPEN ANOTHER WOOD YARD

Leo Jacobson, whose wood and coal yard was destroyed by fire a short time ago, is planning to open up again at the same location on First Street West. The ground is being cleared of debris and Mr. Jacobson states that in a few days he will be ready for business once more, under the name of the Sonoma Fuel Supply and Drayage Company. He has been in San Francisco this week purchasing an auto truck and other equipment to replace that destroyed in the fire.

Jacobson, during the past two years has worked up a good business here, and his many friends in Sonoma are glad to know that he is to remain and re-open the wood yard.

### COMING EVENTS

Tonight, May 24th, there will be a special dance at the Studio Hall, between Sonoma and Boyes Springs.

Next week, the three big nights, May 29, 30 and 31, will inaugurate the formal summer opening, and the committee, at considerable expense, has secured Milt Kottinger and his Synco Sextette to render all the latest in dance music.

The Studio Hall being the finest in Northern California, for dancing purposes, the committee is sparing no effort to make these three night a big success.

### OPENING SATURDAY AT FETTERS SPRINGS

Saturday is the big day at Fetters Springs. It is the formal opening of this popular resort. Promptly at 2:30 Les Perkins and his jazz kings will strike the opening number at the bath house pavilion. In the evening at 8 o'clock the grand ball will commence in the theatre. Admission to the afternoon dance is free. In the evening an admission charge of 25 cents will be charged. The theatre is a busy place this week as carpenters and workmen under Mr. Fetters and Contractor White are making several improvements which add to the beauty of the hall as well as to the comfort of the guests. Those who attend the dances at Fetters this year are assured a good time and courteous treatment at all times. Remember tonight at Fetters and be on hand to start this place off successfully this season.

#### OPENING IS ANNOUNCED

Mr. and Mrs. Scheffer, proprietors of the new boarding house near the bath house at Boyes Springs, wish to announce that they will have their opening this Sunday, at which time an excellent dinner will be served and a nice time promised all who attend.

This new and up to date resort is very popular with summer visitors and is offering very attractive rates, either by the day or week.

On last Sunday, Mr. and Mrs. Scheffer had a preliminary opening, but owing to the large number of old guests who visit their place each year from other cities, they were unable to accommodate any more people, and therefore did not make any local announcement.

The Scheffers now, however, are prepared to handle all who call for dinner and invite the public to stop and see their new boarding house, which replaces the one destroyed by the fire of last fall.—adv.

#### GRADUATED FROM THE STATE UNIVERSITY

Miss Edith Young, who has often visited here with her mother, and sister, Miss Alice Young, popular Sonoma Grammar School teacher, was among the large class graduating from the University of California last week, at which time she received her B. A. degree. She will spend part of her vacation nursing at the Children's Hospital in San Francisco, and the remainder here with her mother and sister. When college opens again in August, Miss Young will enter as a medical student.

#### MEMORIAL SUNDAY

Memorial Sunday will be observed at the Methodist church at 11 a. m. next Sunday morning. Members of the G. A. R. and Woman's Relief Corps with other patriotic bodies are cordially invited.

### SURPRISE SHOWER FOR SONOMA GIRL

Miss Angie Barrachi, who is to be married to Victor Picetti, was the guest of honor at a surprise shower given at the home of Miss Laura Muzio, in San Francisco, who will be one of her bridesmaids.

Refreshments were served by the hostess and the table beautifully decorated with spring flowers. Place cards were small dolls dressed as brides. Miss Barrachi was the recipient of many beautiful gifts.

Among those who enjoyed the evening were Mesdames G. Muzio, Marcellari, J. Muzio, Campa, Henderson and J. B. Muzio; Misses Angie Barrachi, Adele Muzio, Louise Barrachi, Madeline Marcellari, Rose Marie Canepa, Laura Muzio, Mae Frugoli, Isabelle Muzio, Florence Mondani and Rose Muzio.

#### WILL SPEND WEEK END AT DIPSEA

Misses Beth Lane, Irma Adler, Geraldine Geer and Alyce Lyghter, and Messrs. Armand and Elwood Franquelin, Theodore Anthenian and T. Hawkerbosch are planning a very delightful outing at Dipsea Beach over the coming week end. Mrs. Z. Lane will accompany the young folks as chaperone.

#### THE SONOMA VALLEY IM- PROVEMENT CLUB NOTES

The Sonoma Valley Improvement Club met Wednesday night with President White in the chair. It was an interesting meeting and several new members were initiated. Our watchword, "Watch Us Grow," is certainly having results. Mrs. Saxl of Cave Dale, with her guests, Mr. and Mrs. M. W. Doome, were present. The latter are so enamored of our valley they have decided to stay permanently. You have only to come here to be convinced.

A friendly rivalry has already started, as next meeting is nomination of officers. A large attendance is anticipated and a number of aspirants are in the field.

Mr. and Mrs. M. Y. Hansen motored to Clear Lake this week end as guests of the Santa Rosa Scottish Rite. They report an enjoyable time.

Mrs. Frederickson, accompanied by Mrs. Nau, spent the week end at her beautiful residence in Sonoma Highlands. Mrs. Nau is another convert to our valley. She is seriously considering building a summer home here and in fact has gone so far as to consult contractor Hansen regarding plans.

Our old friends, W. H. Urner and Rex Slocum motored to Clear Lake on a fishing excursion and returned with a wonderful catch. Turner says the lake is teeming with fish and the big ones did not get away.

Mrs. S. C. Evans has gone to Oakland for a short visit.

George Fetters is a very busy man these days and is working overtime remodeling his theatre. He is always on the lookout for the comfort of his guests and patrons.

Tom Corcoran has issued a call for a meeting of the members of the Valley of the Moon Chamber of Commerce on Monday, May 26, at 8:30 p. m., for the election of directors. It is to be hoped that the new body will place the valley on the map and keep it there. The meeting will be held in Rosenthal's pavilion, Boyes Springs.

CLUB REPORTER.

#### POST OFFICE AT KENWOOD ROBBED

The Kenwood post office was entered and robbed of a few cents in small change Monday night, according to a report filed with the sheriff's office the first of the week.

The thieves entered through a side door, officers declare. A connecting door between the post office and a store adjoining was attacked by the burglars, marks on the door indicate. Officers believe the job to have been done by boys.

Mrs. Sophie Volkos, who has resided near El Verano for some time, is planning to leave in the near future for Memphis, Tenn., where she will join her daughter and engage in business in that city.

Mrs. Nellie Hiser and daughter, there with Major Cuffe, who is an old Miss Jessie Hiser, Mrs. C. F. Miller, friend of Mrs. Erasmus. The Major, Miss Ida Miller and Mrs. S. J. Erasmus who is a retired army officer, is now mus motored to San Rafael on Saturday military instructor at the San Rafael day of last week and spent the day high school.

The Citizens' Transfer & Storage Company of Tucson, Arizona, operates a fleet of eighteen trucks in local and long distance hauling. Zerolene is used exclusively.

## ZEROLENE succeeds "EASTERN" and lubricates better

With the passing of the superstition that there is something mysteriously "better" about eastern oils, just because they cost more, Zerolene sales have increased seven-fold in the last seven years.

The following extract from a recent letter written us by the Citizens' Transfer & Storage Company of Tucson, Arizona, has some bearing on the reasons for this increase:

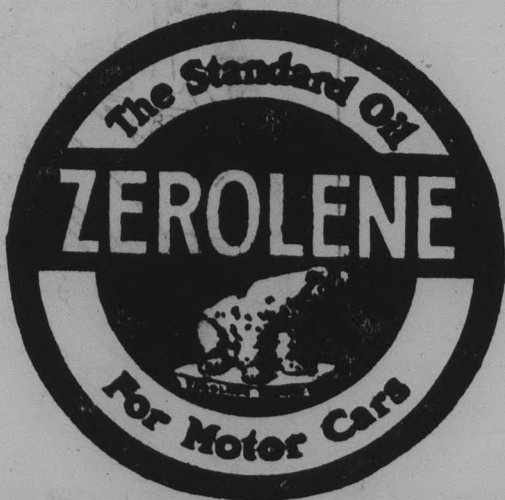

"Previous to using your Zerolene oils we experienced considerable trouble with eastern oils, which were much higher in price, and we found not suited to our use. We have used Zerolene oils and greases for the past five years. Our equipment (18 trucks and 2 passenger cars) is operated continuously throughout the year and the maintenance has been confined to keeping it supplied with the proper amount of oil and grease; bearings have required only reasonable adjustment after long intervals, and no replacements. We were well pleased with our recent quarterly check on the mechanical condition of our equipment, and knowing this condition to be maintained by the use of your oils and greases, we thought your company would be interested to know of our complete satisfaction."

ZEROLENE  
F  
for FORDS

—the Standard Oil Company's new improved oil for Ford cars "Feeds Those Oil-Starved Fords."

We believe that Zerolene will improve the gasoline mileage, reduce carbon deposits, and lengthen the working life of every car in which it is used.

Why pay tribute to a superstition? Insist on Zerolene even if it does cost less.

STANDARD OIL  
COMPANY

## PAGEANT TO TELL

## HOPES OF REDWOODS

"The Spirit of the Redwood," the beautiful and appealing pageant that is to be presented by the Sonoma County Federation of Women's Clubs in Armstrong Grove next Labor Day, will soon reach the stage of first rehearsals. The work of preparing the various groups or scenes of the pageant have been assigned to the different clubs comprising the federation, and each is entering with enthusiasm upon the task assigned it.

The story the pageant will tell is together a history and a plea to save the redwoods from destruction. It begins with the birth of the redwoods, long before Christ, follows through biblical days into modern history. Important events in ancient and modern history that the redwoods have looked down upon are mentioned or portrayed. American and state history is reviewed.

By a series of effective scenes, it is brought out how the giant trees have survived and grown through fire, earthquake and windstorm, through drought and flood, growing ever stronger and stouter, defying the most destructive of nature's upheavals. But at last, after thousands of years comes man with his axe, and the redwoods begin to fall before the puny destroyer.

A ray of hope is seen at last—the awakening of the women to the destruction that threatens one of nature's most noble works, and their efforts, already crowned with partial success, to stop the destruction.

At once the story of the pageant is an appeal to save the redwoods and an inspiration to the club women to continue their work for preservation of the great groves of the giant trees in California.

The chorus work, in fact all of the musical work, is under the direction of Mrs. Lenore Campbell, president of the Sotoyome Literary Club. Mrs. Campbell plans to train a chorus of 100 voices—Healdsburg, Cloverdale and Geyserville people. The first rehearsals will be held in a few days.

The parts each club in the federation will present have been assigned and in some cases work has already started. The Saturday Afternoon Club and the Philomath Club's part, which will deal with the Hebrew period, and which will present episodes featuring Joseph in Egypt, Moses, David, Solomon and others.

The Rincon Valley Women's Improvement Club will have the period of the Argonauts for their portrayal. The Sonoma County W. C. T. U. will have the Nativity episode to depict, and this promises something solemnly beautiful. The shepherds will herein watch an illuminated star and the wise men will appear from the east.

The episode of America's discovery will be assumed by the Petaluma Woman's Club, and Cloverdale will have 32 young girls as their representatives and these dancers will depict the spirits of fire and the spirits of flowers.

The Sonoma Valley Woman's Club will portray the Mission and early Spanish period of the state's history.

The committee in charge of the preparations is composed of Mrs. Frank J. Greene of Petaluma, author of the pageant; Mrs. Thomas J. McMannis, president of the federation; Mrs. Lyman Byce of Petaluma, in charge of costuming, and Mrs. Campbell.

EMERGENCY ROAD  
SERVICE EXTENDED

Rapid progress toward its goal of a state wide mechanical first aid and towing service or its members is being made by the California State Automobile Association, according to an announcement made this week by Louis P. Singer, manager of the association's road service.

With the opening of service stations in seven additional San Joaquin cities and the beginning of service on the Big Oak Flat and the Wawona grades into the Yosemite Valley and the service is now available to State Automobile Association members in more than 50 northern and central California centers.

The association will open new stations as rapidly as efficiency will permit until all of the 45 northern and central counties served by it are completely covered with service zones.

OFFICIAL STATEMENT  
ON LIVESTOCK EPIDEMIC

In answer to hundreds of inquiries from all sections of the United States directed to railroad and other travel agencies, Dr. U. G. Houck of the U. S. Bureau of Animal Industry, sent from Washington to take charge of the combined federal and state forces that are stamping out foot and mouth disease in the limited districts of California to which it has been confined, has issued the following statement:

"There is no reason why anyone should view with suspicion California foods marketed in the State or elsewhere—meats, poultry, vegetables or fruits.

"Travel to and from California and within the state is perfectly safe for the general traveling public.

"With the development and coordination of ideas and policies and better knowledge of the situation, quarantine restrictions that were deemed necessary at first have been materially modified and are such now as not to make for any inconvenience in travel between the East and California, or within the state.

"There is no record of a human being becoming infected during any of the outbreaks of the foot and mouth disease in the United States, which dates back to 1870.

"People planning to visit California need not allow any consideration of this cattle disease to interfere with their plans."

SONOMA VALLEY APPLE  
GROWERS, ATTENTION!

Any member who failed to get a release prior to February 1, 1924, for their 1924 crop of Gravensteins and who breaks his contract with the Association, by selling through any other agency, will be sued for the loss sustained by the Association, suit to be brought as per ruling handed down in the case of the California Prune Growers.

SONOMA VALLEY APPLE GROWERS' ASSOCIATION, adv. Per Board of Directors.

FIRESTONE TIRES  
CARRY GUARANTEE

The Firestone Tire and Rubber Company have adopted the following 90 day warranty for all pneumatic casings and tubes, including truck pneumatics:

"We do not guarantee pneumatic tires for any specific mileage. Every pneumatic tire bearing our name and serial number is warranted by us against defects in material or workmanship developing within 90 days from date of first road wear.

"This company's warranty is given solely to the original user and only to the extent above expressed. No dealer or agent is authorized to make any other or additional guaranty or warranty."

The limitation of 90 days was adopted because the fact has been well established that genuine defects become apparent early in the life of a tire. Furthermore, the 90 day period corresponds to the time warranty given on the automobiles of virtually every car manufacturer.

## ENTERTAINED FRIENDS

Mr. and Mrs. H. G. Beers entertained recently at their beautiful home in the Hyde Tract. Cards, dancing and dainty refreshments were enjoyed. A home artistically garlanded with roses and sweet peas, an atmosphere of good fellowship, a genial host and ideal hostess certainly made the evening a most pleasant one for those present, who were as follows: Messrs. and Mesdames R. O. Dierx, J. Mumford, F. Schell, J. Doktor, H. C. Hyde, Peter Dierx, J. E. Noyes, H. G. Beers; Messrs George Cassidy, Robert Poppe, Charles Nice, Roy Bil-you, Lewis Beers, Edwin Beers, Billy Dierx; Misses Benn, Hettie Voight, Anna Noyes, Harriet Dierx and Beatrice Beers.

Miss Celia homson, daughter of Dr. and Mrs. A. M. Thomson, spent the week end with Berkeley friends.

Low Rates—Good Service  
Put California in the Lead

BY pressing a button you command electricity for light, heat, and power.

Behind that button stands a great organization, on the job day and night, in fair weather and foul, in your service.

For that service in California you pay the lowest rates in the United States—rates fixed by your own agents, the Railroad Commission; rates that do not guarantee profits.

There is about one horsepower of developed electric energy for each three persons in California and each horsepower can do the work of ten men in one eight-hour shift. This great electric giant is your servant.

That is why California has more residence lighting consumers than New York and more industrial power consumers than any other State.

This condition was brought about by the initiative and foresight of power companies like the P G and E and its predecessors, who risked their money to do it. They do not ask thanks, but they do think they are entitled to fair play.

## PACIFIC GAS AND ELECTRIC COMPANY

P. G. and E.  
"PACIFIC SERVICE"

A California Company with over 40,000 security holders in the State

Herschel Hyde, a Junior at the University of California, College of Chemistry, is now home and busy thinning apples and helping his father generally on the ranch.

### EL VERANO NEWS

(Continued from Page Two)

which they raised on the Dutil acreage.

S. M. Walker, a United States mail carrier from San Francisco, is a guest at the McNeil home, enjoying the balm weather and the picturesque Valley of the Moon.

Joe Ryan, deputy sheriff, was called to El Verano last week on important official business.

Sheriff John Boes left Santa Rosa Saturday morning for Seattle where Paul D. Phelps, wanted at Vallejo Ford, is under arrest. Boes will bring the prisoner back with him.

Hoke Smith, Sonoma county's veteran assessor has been granted a leave of absence from the state by the Board of Supervisors and will attend the Democratic convention which will convene in New York City on June 24th. Smith is a dyed in the wool Democrat, and no doubt will enjoy the trip and the great Democratic pow-wow. Mr. Smith has already made reservations at the Hotel Vanderbilt where all the other famous old Bourbons will make their headquarters, from every city and state in the Union.

Mrs. George Stickel, mother of our enterprising Standard Oil Company employee, after a several months' visit at her son's Agua Caliente home, left Saturday morning on the S. P. for Oregon, where she will visit for some time with relatives.

Miss Ann Isadore came up from San Francisco last week and will take over the dining room management of the new Parente Hotel at Verano. Miss Isadore was formerly with the Boyes Springs Hotel, which was destroyed by fire last fall.

Harv Burmester of Oakland was a guest of home folks Sunday.

Mrs. J. N. Beach spent the forepart of the week visiting and shopping in San Francisco.

Charles Wachman, Dan Pierce and Clarence Chance of San Francisco were visitors here Sunday.

Leo Vincent of San Francisco and Mr. and Mrs. Carl Vincent of Vallejo were visiting El Verano relatives on Sunday.

### FORD SALES PASS THREE-QUARTER MILLION MARK

Ford retail sales in the United States during the first 10 days of May average 8385 daily, exceeding the last 10 days period of the record breaking sales month of April and indicating the upward trend of the market. Figures just compiled show a total of 757,023 Ford units retailed to customers from January 1st to and including May 10th, of which Ford car and truck deliveries alone show a gain of 102,158 over the same period a year ago. With the increases already attained this month and with the present outlook for business the company anticipates a new high sales figure in May.

Mrs. W. H. Baehr of San Mateo spent Mothers Day with her aunt and uncle, Mr. and Mrs. George Breitbach.

### SCHELLVILLE NEWS

Mrs. M. Akers is again a great-grandmother, another little son being born to her grandmother, Mrs. Shirley Weise of Glen Ellen.

Mrs. F. Schell's Nash car is now sporting a new coat of paint.

Fred Helberg, Sr., is a busy man these days, furnishing gravel for the new state highway, some days crushing and turning out as much as 100 yards.

Cherries in large quantities and of good variety are being shipped daily from the Watt, Hall, Clement and Helberg orchards.

S. Keller was a Napa visitor here on Monday.

Mr. and Mrs. Andy Steiger and little Billy of San Francisco, accompanied by a party of friends, motored up and enjoyed the week end with relatives here.

Louis Kearney delivered material for a 2000 gallon water tank to the Segar ranch. Messrs. Segar and Bluxom have erected it.

Charles Potter is very busy having engaged several teams to cut his 500 acres of hay.

Mrs. C. Jessen is having a visit from her nephew and niece, Mr. and Mrs. Harry Dellamore of Los Angeles. On Monday Mrs. Jessen and her guests motored to San Francisco to visit Mr. Jessen.

John Brendel, Sr., is spending a few days with the Petersons. Mr. Brendel is in the bakery business at Lompac and says business is good but crops poor on account of the lack of rain.

With all the clams entering Schellville, via buckets and sacks, the neighbors might get together and have a clam feed. How about it?

Elmer Peterson and family accompanied by Mrs. Peterson's father, G. Marymee, motored to Guerneville on Sunday where they enjoyed the day. They report a number of campers in the vicinity and a good time.

Mrs. J. Clements, Sr., is having a vacation at Sunnyvale with relatives.

Word comes from our rural mail carrier, Raymond Dow, that he is certainly enjoying his well earned vacation, having visited Mrs. Dow's folks at Riverside and his folks at Los Angeles, also visiting in San Diego, Pasadena, Catalina, and Long Beach.

Victor Thurt is spending a few weeks with friends at Larkspur.

Mr. and Mrs. H. Burg are planning an extended visit to Chico.

Mr. and Mrs. J. H. Fox of Ingot, Montana, the former a brother of the late Mrs. Emma Eshbach, spent the week end at the Mont Akers home. They expect to remain here a month to settle up the affairs of the late Mrs. Eshbach.

Mrs. W. Dixon spent Sunday with her sister, Mrs. F. Schell. Mrs. D. Church, her mother, accompanied her home to San Francisco.

Mr. and Mrs. David Potter of Vallejo are having a two weeks' vacation which they are spending with relatives here.

Grover Rubke and family motored to Marysville over the week end.

The little daughter of Mr. and Mrs. A. Acquistapace was baptized Sunday at St. Francis church, Sonoma. The little one was named Stella Olga. Rena Poncia and Ernest Bettiga were sponsors. Afterwards a fine dinner was enjoyed by 50 relatives and family friends.

The Bridge Club was pleasantly entertained on Thursday afternoon by Mrs. Charles Cutter.

Mr. and Mrs. Tony Marcucci entertained friends from Fairfax and Sonoma Sunday.

Mrs. Vincent Mundowski of Santa Rosa was a recent guest at the Tony Neuman home.

The William Church and Carl Beckman families motored to Oakland and were dinner guests of Mrs. Frank Ricketts, nee Pauline Marcucci on Sunday. The entire party then drove to Idora Park where they enjoyed all the attractions. The kiddies report a wonderful time.

Miss Antoinette Marcucci spent the week end with her friend, Miss Katherine Keiser of Sonoma.

Mr. and Mrs. L. Semino enjoyed a visit Sunday from their relatives, Mr. and Mrs. A. Pessano of Oakland.

Mr. and Mrs. J. Hanley, formerly

of San Francisco, enjoyed the usual week end visit from their two sons and daughter. The children visit with their parents here weekly.

Dear Archie McKiver: Your El Verano items are read with pleasure and we like them next to "Bringing Up Father." And the newsy items of our dear old friend, Easy Jim, are also always appreciated. Let the good work continue, not letting the summer fairies annoy you. Thanks for the kind things you have said about me.

Mrs. S. Hall received the sad news of the death of her brother in Oregon this week.

Mrs. H. Pauli left on Friday of last week for a visit with bay city relatives. Harold and the children motored down Sunday, Mrs. Pauli returning home with them. On Sunday the family and many friends enjoyed a picnic at Paradise Grove.

The A. Vogler family is nicely settled in San Francisco close by Golden Gate Park. Mr. and Mrs. Rosenberg of San Francisco have purchased the Vogler ranch here.

Mr. and Mrs. J. Hoegemann had a nice visit Sunday from Stockton relatives.

The Jolly Twelve were nicely entertained Wednesday afternoon by Mrs. Alma Koeboom.

On Wednesday Mrs. R. A. Dow, and little son and their guest, Mrs. Cortsen of Oakland, motored through Sonoma and Napa valleys, enjoying the scenery.

### PLAN-EXCURSION TO YOSEMITE VALLEY

Scots and Master Masons from all parts of California are expected to join in an eight day tour of Yosemite Valley being arranged for the early part of June by San Francisco Pyramid No. 1, Ancient Egyptian Order of Scots.

The delegation will leave San Francisco on May 31st in a special Southern Pacific train and arrive in the Valley the same evening.

Elaborate preparations have been worked out for the entertainment of the lodge men and their families and friends while in Yosemite, according to George U. Bocarde, chairman of the committee working out the details of the event. There will be swimming events, musical concerts, hiking trips, dancing, athletic contests, automobile scenic trips to Tuolumne Big Trees, Rainbow View, the Little Brown Jug, Wawona and Glacier Point and other features for the enjoyment of the visitors.

Yosemite is at its best in June and it is expected that more than 500 Scots and their friends will make this trip.

### REDUCTION IN TAXES ASKED

The regular meeting of the directors of the Sonoma County Farm Bureau was held at Santa Rosa the forepart of this week with President C. E. Humbert of Cloverdale presiding.

The committee appointed by the Sonoma County Pomona Grange to request other farm organizations to act with them in securing from the supervisors of the county a material reduction in the total taxes levied for the next year, was present. George R. Harrison, master of the California State Grange, was the chairman of this committee. W. B. Griffith, past master of the California State Grange was also on the committee. After a thorough discussion of the request of the Grange by the directors of the Sonoma county Farm Bureau it was

## VINEBURG ITEMS

Mr. and Mrs. Fred Batto transacted business in Santa Rosa on last Thursday.

A surprise party and shower were tendered Mr. and Mrs. Edmund Bacher at their home in the Hyde tract on last Saturday evening by friends from all parts of the valley. About twenty guests were present and dancing and a delicious repast were enjoyed during the evening.

L. V. Ristau and family motored to Merced last Saturday and were the week end guests of friends and relatives at that place.

Both the packing houses of Vineburg are now engaged in getting ready for the coming fruit season and from all indications it will be a busy year.

Mrs. Chase has returned from Seattle where she went to visit friends and enjoyed the trip immensely. She says Seattle is beautiful and gleaned many ideas by which the Plaza might be improved at very little cost. The people in Washinton would not eat anything from California, owing to the livestock epidemic, and many have cancelled trips to this state.

## IN THE SUPERIOR COURT

Of the State of California, In and For the County of Sonoma.

In the matter of the estate of ELLEN MARTIN, sometimes known as Nellie Martin, Deceased.

Probate No. 7847, Dept. No. 2. Notice of Sale of Real Property by Administrators at Private Sale

Notice is hereby given that the undersigned, as administrators of the estate of Ellen Martin, sometimes known as Nellie Martin, deceased, will sell on behalf of the estate of said deceased, at private sale, on or after Wednesday, June 4, 1924, to the highest bidder for cash, in lawful money of the United States of America, as a whole, the following described real property:

All that certain lot, piece or parcel of land, situate, lying and being in the County of Sonoma, State of California, and bounded and particularly described as follows:

Lot No. Eighty-Eight (88) as per Map of "The Oaks Park", filed in the office of the County Recorder of Sonoma County, on October 12, 1912, in Book 29 of Maps, page 13, of Sonoma County Records, which lot is also described as lot No. 88 in Oaks Park, Sonoma County, California.

Written bids or offers to purchase said real property will be received at the law offices of O'Gara & DeMartini, rooms 549-550-551 Mills Building, San Francisco, California.

Dated at San Francisco, California, this 12th day of May, 1924.
